Subject: Proposal for four (4) units of Panoramic Camera Rectifier-Printer

Reference: Proposal dated 13 February 1959 for one (1) unit of Panoramic Camera Rectifier-Printer

Dear Sir:

Pursuant to your verbal request [redacted] is pleased to submit herewith a formal proposal for the design and manufacture of four (4) production prototype photographic rectifier-printers which are capable of rectifying 9-1/2" film as well as 70 mm film.

25X1A

The technical description of these items is as set forth in Exhibit "C" of the referenced proposal. The statement of work is as stated in the referenced proposal except that it should call for a quantity of four (4) units and that final inspection, acceptance and delivery shall be at a destination designated within the continental United States.

In addition to the above previously submitted provisions, Contractor submits herewith the following:

- Exhibit "A" - Estimated Price Summary**
- Exhibit "B" - Delivery and Completion Schedule**
- Exhibit "C" - Approved Burden Rates with Auditor's Certification**

The burden rates used in Exhibit "A", Estimated Price Summary, have been revised since submission of the referenced proposal. The burden rates and certification as to their reasonableness are included herewith as Exhibit "C".

The prices set forth in this proposal may be considered firm for a period of sixty (60) days from the date of this proposal. All other data including terms and conditions are to be considered as the basis for negotiation with the [redacted] of a Cost-Plus-Fixed-Fee type contract.
